Audrey, are you saying I can remove the highlighted checklist from the table?

Also, I do not think the October date will be a problem, but I would like to check with Clete first.

Thanks,

Hi Mike,

Thank you!

I highlighted the section with the Checklists where regulatory corrections were made this past April.

Is it possible to move resubmittal to EPA in October 2017 instead of December 2017?

Audrey
